

# BRIDGING THE GAP GRANT 2022

## Offering 3 grants up to **\$500 EACH!**

Now accepting grant applications from agencies that work to address ONE of the following priority areas:

### Healthcare Disparities

Providing health education, serving vulnerable populations, and/or providing access to COVID-19 relief and services

### Criminal Justice Reform

Serving vulnerable populations, providing mental health support, reentry, and reintegration services for inmates, and/or educational opportunities and support for youth impacted by the justice system

### Food Justice

Securing and distributing surplus food, raising awareness, serving vulnerable populations, and/or investing in community gardens
